

# Dr. Lameiro

---

Gerard Francis Lameiro, Ph.D., is an author, philosopher, economist, and engineer. He is the author of *Great News for America* and three other books and is a popular Talk Radio show guest that currently does about three hundred media interviews annually across America.

He has worked on many political campaigns in various roles, including Ronald Reagan's 1976 and 1980 presidential election campaigns. Dr. Lameiro was a member of the 1980 Presidential Electoral College and personally cast one electoral vote for Ronald Reagan for President of the United States of America.

He was the Founder and CEO of Lameiro Economics LLC, a company focused on bringing practical economic knowledge about freedom, economic growth, and prosperity to America and to the world.

He was a member of Hewlett-Packard's Strategy and Corporate Development team. He was the worldwide President of the Association of Energy Engineers (AEE) and a National Science Foundation Post-Doctoral Fellow. He was also an Assistant Professor in Colorado State University's College of Business.

Dr. Lameiro is an expert in economic growth, analytics and computer modeling.
